RAILROAD TALK.

Eastern Kentucky Will Have New Lines.

Further Reports About Two of the Four Roads Proposed for This Section.

Pike county is soon to have another railroad. The Consolidation Coal Company, which recently acquired a large boundary of high grade coal property on the head of Shelby Creek in that county, is arranging to build thirty-five miles of railroad from the mouth of Shelby on up that creek. The new road will connect with the C. and O. Big Sandy division at Shelby station. The preliminary survey is now being made and the contract for grading will be let in a short time. The road will ultimately be extended into Letcher county which is with out doubt the greatest coal field in Kentucky and in which section the Consolidation has quite a large holding. This announcement follows the visit of Col. Clarence Watson, the great coal magnate and the railroad officials and others into that territory recently. That this entire section will soon be on roaring boom is admitted by all who are familiar with the situation. Johnson county, which has proven to be the best coal field in the valley will have a number of plants in addition to those already installed and the coal output in this section will be enormous.—Paintsville Herald.

E. K. Extension.

Concerning the proposed extension of the old E. K. Railroad from Webbville, Lawrence county, via Blaine, Flat Gap, Barnetts Creek to Salsersville and into the Magoffin coal fields in Magoffin county, the Grayson Tribune, says:

"Supt. J. C. Homer, accompanied by Dr. L. E. Miles, E. R. Lacy and Henry S. Clark were here Thursday going over the proposed route of the road. Supt. Homer says that the required portion of the right-of-way, which has so long been a drawback to the beginning of construction has been secured, and that within the next sixty days we may be surprised by seeing a gang consisting of at least 4,000 men at work preparing the road bed of the new enterprise.

"Capital has been secured, right-of-way bought and donated, blueprints of the route made, specimens of the ores and clays along the route analyzed and exploited, and now all that remains to be done is to let contracts for building the road. This is the purpose of the above named gentlemen, and we can only wish them God-speed in the security of contractors."

Our Apology.

The News has offered very few apologies in its time, but this week we must explain that our paper is not up to what it would have been but for the run of "bad luck" that has overtaken our plant. On Tuesday the main shaft of our large gas engine broke and it was impossible to get a new one in time to print this issue. So we borrowed a small engine and installed it to run in connection with our small one. Thus equipped we finally succeeded in printing the paper, but the loss of time interfered with the operation of the linotype and there is a shortage of news matter.

Hon. W. J. Fields, the Democratic candidate for Congress from this District, who has been very sick, was in Ashland Wednesday, having gotten able to travel about a little. Every prospect is favorable for him to be able to resume his canvass in very few days.

Ab. Rucker, brakeman on the E. K., sustained painful, but not serious injuries Monday by being caught between a car and one of the poles of the mine tippie at Partlow. Two ribs were broken.

She Once Lived Here.

Millard Cardwell, former janitor at the court house, who fired on Chief Porter and Officer Stevens several weeks ago when they attempted to arrest him in the west end of the city, was convicted in the criminal court last week of unlawful shooting and was sentenced to the penitentiary for a term of two years.

Cardwell, a colored man, and a white woman named Cora Heston, had been meeting along the railroad track west of town and the city officers went to arrest them. Cardwell was armed, and opened fire on the officers. Nobody doubted but that he shot to kill. Cardwell had loaded the cartridges himself and several of them failed to explode when he pulled the trigger. The Heston woman in the hearing before the magistrate testified that Cardwell had a revolver but before Judge Sampselle she contradicted herself. The perjury was so apparent that the woman was indicted by the grand jury then in session. Later she was tried on the perjury charge, convicted, and sentenced to the penitentiary for five years.—Williamson Enterprise.

Deserted His Family.

C. C. Hinkle, of Inez, was arrested in Chillicothe, O., last Monday and was taken to Inez Thursday morning, where he is wanted on a charge of desertion of family. When arrested he was living in a Chillicothe hotel under the name of L. Miller and with a woman whom he claimed was his wife, but who is Bessie James, also of Inez. She at one time worked in a Louisa hotel. Hinkle has a wife and seven children, the youngest only six months old.

SUICIDE OF YOUNG LADY.

Miss Hattie Caldwell, of Johnson County, Shoots Herself.

Surrendering to an attack of melancholia which had seized her several days previous, Miss Hattie Caldwell, daughter of Will Caldwell, a farmer residing in the Little Gap section, deliberately planned her death and went to it Friday afternoon. The girl had been acting strangely for several days but little notice had been paid it. During this time she was planning her death. Procuring a pistol from a neighbor and making ready her bed clothes she dressed for the occasion and going to a secluded spot put the pistol to her head and fired the shot that made life extinct in a very few moments. The report of the pistol attracted the family to the spot where the girl was found almost cold in death. Medical aid was rushed to the spot, but the bullet had been true to the wish of the girl.

Is Here on Duty.

Mr. B. F. Thomas, of the U. S. Engineer office, Cincinnati, arrived here Wednesday. He had been ordered to Louisa and will be on duty in the local engineer office for about ten days.

Teachers' Pay Day Saturday.

The teachers of Lawrence county will be paid Saturday, the 15th. Superintendent O'Daniel requests us to make this announcement, and we are pleased to do so, as it will be good news to the teachers.

Fell Eighty-Three Feet.

A boy whose name the News was unable to learn fell 83 feet from the top of a coal tippie at the Van Lear mines last Saturday. He escaped with a broken thigh.

Mrs. A. M. Hughes was hostess for the Flinch Club last week, and this week it was entertained by Mrs. T. H. Roberts.

A. M. Davis, of Ulysses, was in Louisa last week on route to Louisville, where he will complete a four years' course in medicine.

Painfully Hurt.

It was reported here on Wednesday that Brown Huff, a well known carpenter of this place, had been fatally hurt by the fall of a scaffold on which he was at work, aiding in the building of a Methodist church at Inez. Later news is that Mr. Huff's injuries, while painful, are not dangerous. He is much bruised and some of his teeth were knocked out, but he is able to walk about. Four men, one of whom was Dave Wellman, of this place, were on the scaffold when it fell, but it is said that all except Huff escaped hurt.

Will Occupy the Thomas Residence.

Mr. Claude L. Gaujot, of Williamson, has rented the handsome property belonging to J. C. Thomas and he and his family will move into it next week. Mr. Gaujot is the mining engineer and expert for one of the big coal companies which are now acquiring so much valuable coal property on the upper Levisa fork, and is a gentleman of worth and intelligence. Mr. and Mrs. Gaujot will be valuable acquisitions to this city. They are very nice people and will be heartily welcomed to Louisa.

Operation at Riverview.

Mrs. Nannie Boyd, of Woods, Floyd county, was brought to Louisa Monday, by her uncle, Dr. Kendrick, of the same place, and was taken to the hospital. On the following day Dr. L. H. York, assisted by Drs. Bromley, Kendrick and Wroten, performed a plastic operation for the relief of a serious trouble of long standing. It was successful, and the patient is doing well.

Have Gone to Dakota.

Dr. William York and wife, of Williamson, W. Va., were here on Saturday last on their way to South Dakota, where the doctor will practice medicine in connection with selling drugs. A brother, Blaine York, has been there for some time and is said to be a candidate for a county office in South Dakota.

The Missionary Meeting.

On Saturday afternoon at two o'clock the district meeting of woman's missionary delegates will convene in Louisa, at the M. E. church South. The sessions will extend from that time until Sunday evening. Miss Davies, the field worker, will be the chief speaker of the gathering and everybody should hear her. On Sunday afternoon the children will render an interesting program, dressed in costumes furnished by Miss Davies.

Miss Wadsworth Married.

Miss Florence Wadsworth, the well known vocalist, of Maysville, Ky., was married on Saturday last to Frederick Wallace, of Boston. The marriage occurred in St. Johns N. B., where Miss Wadsworth was filling an engagement. She is quite well known in this city, where she has frequently visited.

"BOB" TAYLOR NAMED.

Tennessee Democrats Would Have No Other for Governor.

Nashville, Tenn.—For the fourth time in his long and picturesque political career, Robert L. Taylor, present United States Senator, has again been called upon by the regular Democrats of Tennessee to be their candidate for Governor, and he has accepted the honor. No other name was presented to the State convention, the nomination being made by acclamation and amid wild enthusiasm.

It became apparent that the masses would have no one but Taylor, and despite his protest, the Senator was forced to yield. His senatorial term does not expire until 1912, but it will not be necessary for him to resign to make the race for Governor. The platform was drawn to suit Senator Taylor.

WILL FINISH

Locks and Dams on Tug and Levisa Forks.

The Government Will Complete Work on These Two Dams by Hired Labor.

Mr. B. F. Thomas, chief assistant to Major Oakes U. S. Engineer in charge of this district, is in Louisa to see about starting the work that yet remains to be done in connection with the lock and dam at Saltpeter. John Allen came along with him and will superintend the stone work.

The job is mostly in the nature of protection for the banks. One wall containing about 400 yards of concrete is to be built. There is also some dredging to be done, but this will not be reached until January or later.

The department will not let out this to contract, but will do the work by hired labor, giving employment to a considerable number of men.

The same character of work is yet to be done on Levisa dam No. 1 at Chapman, but it has not yet been given out as to when this will be started.

Shot His Tormentor.

Albert Keyser, an aged and somewhat eccentric man, residing in a suburb of Ceredo, W. Va., shot Robert Dishman on Wednesday evening inflicting a very painful wound and which may prove somewhat serious before it is ended.

Dishman was tormenting the old man while he was picking some beans in a patch near the old man's home, by throwing stones at him. The venerable Keyser lost his temper and going to the house procured his shot gun and returning to the bean patch he fired in the direction from which the stones came and was answered by the screams of the youth who had received the full charge of buckshot in his body.

A New Telephone Line.

A farmers' line, having six subscribers, has recently been connected with the toll station of the Southern Bell Telephone Company at Kise, Ky. Those receiving service over this line are as follows: L. W. Spencer, Green Castle, G. V. Pack, T. B. Kise, R. B. Spencer, G. C. Burgess. In all probability the line will be extended in the very near future.

High-Priced Land.

Whitesburg, Ky.—James H. Frazier, of this city, has just purchased the surface and timber on the 31-acre Boone's Fork farm of Robert Younts' near Chip at \$100 per acre—or \$3,100 for the boundary. The contract does not include the coal and mineral right, Younts holding it.

Bad Forest Fires.

Disastrous forest fires in Northern Minnesota and the Canadian border have caused the loss of probably 300 lives and millions in property. The towns of Beaudette, Spooner, Hitt and Graceton, Minn., are practically wiped off the map.

Her owners took the engines of the old Mildred Runyon and built a new boat around them. She was at this port last Sunday.

Mr. and Mrs. C. S. Styer have rooms at Geo. E. Carter's. Mr. Styer is the competent commercial teacher at the K. N. C.

The corner stone of the new Federal building at Catlettsburg will be laid with Masonic ceremonies Saturday.

Mrs. L. B. Dean, of Whites creek, is the guest of her sister, Mrs. W. J. Vaughan.

Big High Class Show Coming!

Manager Waldeck of the Masonic Opera House takes great pleasure in announcing to the people of Louisa and vicinity that he has succeeded in securing Fred Raymond's great comedy success, "The Missouri Girl" for date of Wednesday, October 19, here.

This is the same show exactly that plays Bluefield, Huntington and all the larger cities.

The company carries two complete sets of special scenery, the smaller of which will fit the local stage very nicely, thus insuring the complete production the same as seen in the regular City Theatres.

As the management here is under a very heavy expense in securing this excellent attraction, it is to be hoped that local theatre-goers will appreciate his efforts to give them first class attractions, by packing the house on the above date. Tickets may now be secured at Conley's Jewelry Store. Prices 50c and 75c, children 25c.

Will Leave Today.

Mrs. J. J. Fagg and daughter, Miss Istalena, will leave Louisa today for a protracted stay with relatives in Virginia and Pennsylvania. It is possible that these popular people, Mr. and Mrs. Fagg and daughter, may not return to this place for residence and this is much regretted by the many friends made by them while in Louisa. By reason of his business Mr. Fagg's visits to his family were necessarily brief, but he was liked by all whom he met, as genial, generous man and friend. Mrs. Fagg and Miss Istalena are most agreeable and accomplished ladies, and they will be greatly missed in the social circles of this city. Mrs. Fagg and daughter will return for at least a short visit in March next.

HIGH HONOR

Paid Judge Finley E. Fogg by the Prison Congress.

Washington, Oct. 5.—The officials of the International Prison Congress now in session here have bestowed another signal honor upon Kentucky by naming Finley E. Fogg, of Paintsville, as a member of the committee on criminal law reform, which is the most important of all the law committees and at least equally as important as any point in the gift of that distinguished body. This appointment was made in special recognition of Mr. Fogg's ability as a lawyer and of his service as a member of the Kentucky Prison Commission in bringing about many of the reforms in prison management.

A meeting of the committee on criminal law reform will be held in London, England, early next year and Mr. Fogg has been urged to attend.

Women's Secrets

There is one man in the United States who has perhaps heard more women's secrets than any other man or woman in the country. These secrets are not secrets of guilt or shame, but the secrets of suffering, and they have been confided to Dr. R. V. Pierce in the hope and expectation of advice and help. That few of these women have been disappointed in their expectations is proved by the fact that ninety-eight per cent. of all women treated by Dr. Pierce have been absolutely and altogether cured. Such a record would be remarkable if the cases treated were numbered by hundreds only. But when that record applies to the treatment of more than half-a-million women, in a practice of over 40 years, it is phenomenal, and entitles Dr. Pierce to the gratitude accorded him by women, as the first of specialists in the treatment of women's diseases.

Every sick woman may consult Dr. Pierce by letter, absolutely without charge. All replies are mailed, sealed in perfectly plain envelopes, without any printing or advertising whatever, upon them. Write without fear as to without fee, to World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

DEMOCRATIC TICKET.

For Congress,
WM. J. FIELDS,
of Carter County.

Honorable W. J. Fields.

Hon. Wm. J. Fields, candidate for Congress, is not able to make a thorough canvass of the district having only partially recovered from the illness that attacked him soon after his nomination. This obstacle comes just at a time when he was about to realize the ambition of his life, and while he is not discouraged he is very much disappointed at not being permitted to make a personal campaign and go into every precinct of this district before the election. As it is, he must depend largely upon the people who feel an interest in him. Upon them will fall the greater part of the work, and they are taking it up enthusiastically. One of the most commendable traits of humanity in general is the disposition to help a worthy man who is handicapped by sickness.

The life of Wm. J. Fields has been one of struggle. He has risen by his own efforts. His habits are correct, his integrity unquestioned, his ability pronounced. Those who believe we ought to have a sober Congressman should vote for him.

The Congressional election is getting close at hand. Talk to your neighbor about Hon. Wm. J. Fields, who wants your vote and is worthy of it.

LOWMANVILLE.

Sorghum making and caring for the abundant fruit crop is engrossing the minds of most the people.

The apple crop in this section is the largest that has been harvested in many years.

W. L. Chandler has about completed his new residence just below Allen Bros. store. It is a beautiful structure and adds much to the beauty of our little village.

This has become quite an important little country village. It has three general merchandise and one second hand stores. One blacksmith and general repair shop. Two saw and grist mills. A real good public school building well furnished but needing a new roof. Three church buildings, United Baptist, Regular Baptist, Church of God. And above all we have a people that are slowly but surely awakening to the truth and the responsibility resting upon them as fellow citizens with the saints and the household of God.

Charley Pack, formerly of Ashland, has moved to Aunt Mary Chandler's place on Nelson branch. Charley is a good citizen and we are glad to have him and his estimable family with us.

Monroe Pack and wife, of Ashland, Ky., have been visiting relatives and friends here during the past week. He was here over Sunday to be at the meeting of the Church of God, and left Monday morning for his home.

The meeting of the Church of God was well attended Saturday night and Sunday.

Bro. James Morrison, who has been at work for some time at Thacker, W. Va., has returned home.

Mrs. Catharine Murray is preparing to rebuild on the site where her dwelling house was recently destroyed by fire.

The position of postmaster is vacant. There are two or three applicants. We hope it will fall into good hands. Truth.

Mrs. Della Sexton Prichard, wife of James Prichard, residing at Bolts Fork, Boyd county, died from stomach trouble, after a protracted illness.

The decedent was about 30 years of age and is survived by her husband and three children, two girls and a boy.

A Great Comedy Success!

"The Missouri Girl," famous the country over as "the favorite comedy of the continent" will be seen at Louisa, on Wednesday, October 19th, and theatre-goers are assured of a rare treat.

Many people will no doubt say—"Why, they cannot play it on this stage" or "They won't give the whole show here" &c., but the management guarantees the entire production.

The fact that the Company carries two complete sets of special scenery, the smaller of which will fit the local stage nicely, assures the same show exactly that is given in the regular city theatres.

The production is a clean, up to date American comedy with music and high class specialties interspersed throughout and you'll laugh till you're blue in the face. The prices have been placed at 50c and 75c, children 25c. Order seats now at Conley's Jewelry Store.

NEEDFUL KNOWLEDGE.

Louisa People Should Learn to Detect the Approach of Kidney Disease.

The symptoms of kidney trouble are so unmistakable that they leave no ground for doubt. Sick kidneys excrete a thick, cloudy, offensive urine, full of sediment, irregular of passage or attended by a sensation of scalding. The back aches constantly, headaches and dizzy spells may occur and the victim is often weighed down by a feeling of languor and fatigue. Neglect these warnings and there is danger of dropsy, Bright's disease, or diabetes. Any one of these symptoms is warning enough to begin treating the kidneys at once. Delay often proves fatal.

You can use no better remedy than Doan's Kidney Pills. Here's Louisa proof:

William G. Shannon, Maple St., Louisa, Ky., says: "It gives me the greatest pleasure to recommend Doan's Kidney Pills. My kidneys annoyed me and a heavy cold which settled on these organs, caused intense pains across the small of my back. The kidney secretions passed irregularly and were scanty and filled with sediment. Learning of Doan's Kidney Pills, I used them and the contents of two boxes relieved me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

UNDERWEAR SATISFACTION

The chilly days of fall remind us of the winter days to come and with them the need of good warm underwear for the family. We have always borne the reputation of having the most desirable stock and the best line of values in this section of the country and this year is no exception to this rule.

TRY MUNSING UNION SUITS

and you will better understand the reason for their enormous sale and demand. Sensible, Serviceable and Satisfactory garments that launder to perfection, give the maximum of warmth for weight, and sold at a popular price. They fit to perfection and feel comfortable. Once tried—always used.

OTHER LINES OFFERED

We offer Underwear of other brands that are recognized for quality and have active demand. We have everything in the underwear line from the wee little tots to the grown ups and there is solid satisfaction in anything that you may select at this store in this line. We know you will be better suited by a purchase from this department this year.

The Anderson-Newcomb Co.

The Big Store

HUNTINGTON, W. VA.

Growing Greater

A Great Event.

The biggest sale that Louisa has ever seen will open on Saturday, Oct. 15th, and last 15 days. Two floors of the building are packed with goods. We are now busy arranging them in the most convenient way for taking care of the trade expeditiously. Do not stay away for fear you can not be waited upon. We will have plenty of clerks and everything marked in plain figures. This will be the greatest sale you have ever seen. You can't afford to miss it.

I take this opportunity to extend my most sincere thanks to the thousands of people in this section who have patronized my store in the last few months. Your business is appreciated, I assure you, and I will try to merit a continuance of it by giving you a square deal every time and the best bargains possible.

Read my advertisement on page six of this paper.

Tickets are now on sale at Conley's Jewelry Store for the famous comedy success, "The Missouri Girl" and we would advise playgoers to secure them early as this show is famous as a record breaking attraction.

It is said that Caleb Powers spent \$90,000 to get the Republican nomination for Congress, money which was given to him while in prison.

T. R. Crumpler has sold his residence property to J. P. Gartin.

A Bargain in a Farm.

Fine farm, 162 acres, located on Marion pike near Ironton, in Lawrence county, O., (34 miles from Louisa, Ky.) frame dwelling, seven rooms and basement, fine double story dairy cellar built of stone on top of ground with cement floor, good corn crib and wagon shed, one barn 36 by 50 feet with an under barn, one grain barn 18 by 36 feet, all of these buildings in good condition, also one tenant house on the farm, land lays well and under cultivation, can be farmed by machinery, soil good, will produce any kind of crops, an abundance of water the year around, one three and one four foot vein of coal, 3,000 apple trees and a variety of all other fruit. Must be sold within two weeks. Price very low. T. S. THOMPSON, Louisa, Ky. 2t.

Congressman James A. Hughes, of Huntington, will go to West Baden Springs for the purpose of recuperating his health. A few days ago Mr. Hughes was attacked by an illness while out campaigning and it became necessary for him to desist from his labors for a while until he regains his former strength.

Tickling in the Throat

"Just a little tickling in the throat!" Is that what troubles you? But it hangs on! Can't get rid of it! Home remedies don't take hold. You need something stronger—a regular medicine, a doctor's medicine. Ayer's Cherry Pectoral contains healing, quieting, and soothing properties of the highest order. Ask your doctor about this. No alcohol in this cough medicine. J.C. Ayer Co., Lowell, Mass.

Constipation positively prevents good health. Then why allow it to continue? An active liver is a great preventive of disease. Ayer's Pills are liver pills. What does your doctor say?

HOME CIRCLE COLUMN.

COLUMN DEDICATED TO TIRED
MOTHERS AS THEY JOIN
THE HOME CIRCLE.

A man builds a bridge and he is a great man. Another man puts up a cathedral and he is a great man. But he who gives a man an idea which changes his life for good is the greatest of all.

Truths.

The post of honor is the post of duty.

Let nothing be undone which ought to be done.

Small profits, little risk; large profits, great risks.

The best kind of a picnic is a pick at Old Nick.

Something wrong when a man is afraid of himself.

Honesty is better capital than a sharper's cunning.

Whose credit is suspected is not safe to be trusted.

A true man never frets about his place in this world.

Employ no one to do what you can easily do yourself.

Better to die at the post of duty than to live elsewhere.

Bits of Wisdom.

There is no secret of success but work.

The mind of a good man is a kingdom to him and he can always enjoy it.

Many run after felicity like a man hunting for his hat; while it is on his head.

Take pleasure in your work. A task which appears distasteful at first sight soon becomes pleasure.

Endurance is more valuable than cleverness. It is the patient, steady plodders who gain and keep fortune.

When benignity and gentleness reign within we are in least danger from without; every person and every occurrence is beheld in the most favorable light.

A graceful behavior toward others is a constant source of pleasure. It pleases others because it indicates respect for their personality, and it gives tenfold more pleasure to ourselves.

Dead Failures.

The reason we have so many dead failures is that presents decide for children what they shall do, or children themselves, wrought on by some whim or fancy, decide for themselves. So we have now in pulpits men making sermons who ought to be in blacksmith shops making plowshares, and we have in the law those who instead of ruining the cases of their clients ought to be pounding shoe lasts, and doctors who are the worst hindrances to their patients' convalescence, and artists trying to paint landscapes who ought to be whitewashing board fences. While there are others making bricks who ought to be remodeling constitutions, or shoving planes who ought to be transforming literature.

There are children who early develop natural affinities for certain styles of work. When the father of the astronomer Forbes was going to London he asked his children what present he should bring each one of them. The boy who was to be an astronomer cried out, "Bring me a telescope!" And there are children whom you find all by themselves drawing on their slates or on paper, ships or houses or birds, and you know they are to be draftsmen or artists to some kind. And you find others ciphering out difficult problems with rare interest and success, and you know they are to be mathematicians. And others making wheels and knave contrivances, and you know they are going to be machinists. And others are found experimenting with hoe and plow and sickle and you know they will be farmers. And others are always swapping jackknives or bats and making something by the bargain and they are going to be merchants.

THE SHEEP AND THE GOATS
Matthew 25:31-46—October 16

"Inasmuch as ye have done it unto one of the least of these, my brethren, ye have done it unto me."

PREVIOUS studies have pointed us to the Kingdom and

incited the Lord's people to strive to become members thereof—

kings and priests unto God in association with the Redeemer. Today's

study tells of the Kingdom, but from another standpoint. It explains the

work of the Kingdom after it shall have been set up—after Messiah at his

Second Advent shall have gathered his "Jewels" to constitute his Bride class—

after these shall be with him in the Throne of his glory—after he shall

have taken unto himself his great power and shall have begun his Messianic

reign of righteousness "under the whole heavens." It is important in

every study of the Scriptures that we recognize the Divine Plan as a whole

and properly locate the teaching of each parable.

We know that the parable of the sheep and the goats belongs not to this

Age, but to the coming Age of Messiah's glorious reign, because the

introduction declares this, saying, "When the Son of man shall come in his

glory, and all the holy angels with him, then shall he sit upon the Throne of his

glory, and before him shall be gathered all nations; and he shall separate them one from another as a shepherd divideth his sheep from the goats." Those

sheep and goats will not include the Church, to whom the promise is,

"When he shall appear, we also shall appear with him in glory"—sharing his

Throne.

The salvation of the Church will be finished before the salvation of the

world will begin. Today's study pictures the salvation of the world, showing

us how every member of Adam's race will be on trial during the reign

of Messiah and, by his obedience or disobedience to the light and knowl-

edge then prevailing, he will be deciding his own everlasting future, either

as a sheep or as a goat. It will require the entire one thousand years of Messiah's reign to complete the

testing and separating work.

All then obedient will be recognized as children of God and brethren. All

the disobedient will be reckoned as children of the Adversary and worthy

to share his fate, because, under favorable conditions, they were rebellious.

Such shall be destroyed with Satan in the Second Death, which is symbolically represented as fire, because fire is always destructive, never preservative. On the contrary, the

sheep class at the conclusion of Messiah's reign will have reached perfect

tion, the image and likeness of God, on the human plane. These will be invited to become the kings of earth under the Divine supervision—even as was

Adam in his original perfection—crowned with glory and honor and set over or in control of the earthly creation

(Psalm viii, 3-5).

The terms and conditions which will test and determine who will be sheep

and who will be goats, who will be obedient or disobedient to the Divine

regulations, will be mercy, kindness, love. The loving and sympathetic

character is the only one which God purposes shall have eternal life, either

on the heavenly or on the earthly plane—all having either the wolfish or

devilish character, or even the goat character—of waywardness and un-

submissiveness, will be accounted unworthy of any further blessing after the close of the reign of Messiah. The

testing then will not be as to believing or disbelieving, striving to do well or

not striving to do well. The church is dealt with now along such lines. God's

dealings with us make allowances for our unwilling imperfections. But in the trial of the world in the

future every man shall be tried according to his work, not according to his faith. In that time knowledge will

have practically supplanted faith; hence faith will have no special rewards. Work will then have the

rewards, and each member of the race will be expected to strive for perfect

works and to be assistants of the Great King Emmanuel and his Bride, the

Church on the spirit plane. Man-kind will be enabled gradually to attain

such perfection of mind and of body as will make perfect works possible. At the conclusion of the Millen-

nial Age perfect works only will be rewarded.

Rewards and Punishments

We have already referred to the rewards that will be granted to the "sheep" class at the close of Messiah's Kingdom—they will enter into life eternal and become possessors of the earthly Kingdom originally given to Adam, but lost through disobedience, and redeemed by the sacrifice of Jesus and restored by his Messianic reign, for which we pray, "Thy Kingdom come; thy will be done on earth as in heaven."

As for the "goat" class, we have already intimated that their punishment will consist of destruction in fire, or destruction everlasting, the Second Death—the destruction which God has already determined for Satan and all who are his messengers and servants, after the manner of this goat class—because, with all the favorable opportunities, they failed to develop such characters as God could reward with life everlasting. The contrast is emphasized in the last verse of the study. These (the goat class) shall go away

into eternal punishment; but the righteous, the sheep class, into eternal life.

The contrast is perfect. The one gets life to all eternity. The other gets the specified punishment of destruction to all eternity. The Greek word here translated punishment is *kolasis*, which signifies restraint, cutting off—in this case cutting off from life—Second

Death. "The wages (punishment) of sin is death."

Some one has well said:—

"Sow a thought and you reap an act; Sow an act and you reap a habit; Sow a habit and you reap a character; Sow a character and you reap a destiny."

The Divine intention as respects the salvation of this Gospel Age and the salvation of the world during the coming Age is that only such as develop the God-like character shall be permitted to enjoy Divine favor to all eternity. God has determined that the time shall come when there shall be no more sighing, no more crying, no more dying; but instead, every creature in heaven and in earth and under the earth shall be heard praising God and the Lamb.
